Organizing Committee's Message

The strong growth in international participation at MEETICT and BITECH 2025 underscores Bahrain's position as a Digital and AI-Ready Nation. Leading in digital readiness, innovation, and the development of a dynamic technology ecosystem.

We invite international technology leaders, innovators, and decision-makers to join us in Bahrain to connect, collaborate, and explore future-ready solutions shaping the digital economy.

Mr. Ahmed Alhujairy
Group CEO
WorkSmart for Events Management

14 Years of Driving ICT Excellence

The MEETICT Conference, held alongside the BITEX Exhibition, serves as a flagship ICT platform in Bahrain, connecting regional and international participants through discussions, workshops, networking, and collaboration in shaping the future of technology and digital innovation.
